

Selected Presentations

“Soft Tissue Reconstruction in the Esthetic Zone: American Academy of Periodontology 96th Annual Meeting, Honolulu, Hawaii, November 1, 2010

“Defining Clinical Applications for Biologics” American Academy of Periodontology 96th Annual Meeting, Honolulu, Hawaii, November 2, 2010.

“Clinical Relevance of Platform Switching: American Academy of Implant Dentistry Annual Meeting, San Diego, California; October 31, 2008

“A Paradigm Shift in Periodontal Treatment Planning” Institute for Dental Implant Awareness, Chicago, Illinois; October 18, 2008

“Immediate Placement in Esthetic Zone: Maintaining Bone Dimensions with BioOss and BioGide” American Academy of Periodontology Annual Meeting, Seattle, Washington; September 6, 2008

“Platform Switching – What’s All the Buzz?” Private Implant Restorative Study Club, Carmel, Indiana; August 14, 2008

"Soft Tissue Management and Connective Contour"
Astra Tech World Congress 2008, Washington, DC; June 4-7, 2008

"Immediate Implants in Infected Sites: Contraindications Revisited"

The Toronto Osseointegration Conference Revisited, Toronto, Canada; May 9, 2008

"Astra Tech and the Connective Tissue Interface: Erecting the Biomechanical Framework of Esthetic Success" AAP Annual Meeting, Washington DC; October 27, 2007

"Myth Busters: Evidence-Based Truths in Extraction Sites", ITI World Symposium, New York City; April 26, 2007

"Immediate Implant Placement in Infected Sites: Exploring the Controversy", Academy of Osseointegration Annual Meeting, San Antonio, Texas; March 9, 2007

"Immediately Placed Single-Stage Dental Implants" (Lecture and Hands-On Workshop), Yankee Dental Congress, Boston, Massachusetts; January 25, 2007

"Immediate Dental Implant Placement in Infected Sites: Exploring the Controversy", 2006 ITI North American Congress Meeting, Miami, Florida; April 21-22, 2006

"Sailing to Success: The Team Approach to the Straumann Dental Implant System" Kennedy Professional Educational Seminars, Eastern Caribbean Cruise aboard the Jewel of Seas; March 11-19, 2006

"Immediate and Early Loading Clinical Care Reports with SLActive from the USA", Straumann Founding Gold Sponsor Course, European Academy of Osseointegration Annual Meeting, Munich, Germany; September 23, 2005
"Immediate Dental Implant Placement In Infected Sites: Exploring the Controversy", ITI World Symposium, Munich, Germany; June 19, 2005

“Current Concepts in Implant Dentistry”, ITI Masters Course Series, Kuala Lumpur; April 10, 2005

“Biomimetics and Bioengineering in Implant Dentistry”, National University of Singapore/Singapore Dental Association Convention, Singapore; April 9, 2005

“Anterior Implant Placement and Sinus Grafting”, FondaCo Dental/Medical Supplies, Singapore; April 7, 2005

“Immediate Dental Implant Placement in Infected Sites: Controversy or Reality?”, American Academy of Periodontology 90th Annual Meeting, Orlando, Florida; November 17, 2004.

“Basic Surgical Techniques Utilizing the Straumann Dental Implant System”, American College of Prosthodontists Annual Meeting, Ottawa, Canada; October 27, 2004.

“Multiple Posterior Implant Placement and Sinus Grafting”, Straumann West Coast Training Center, Newport Beach, California; September 24-25, 2004.

“Immediate Placement and Advanced Surgical Techniques-A Masters Course with the ITI Dental Implant System”, University of North Carolina, Chapel Hill, North Carolina; June 4-5, 2004

“Optimal Anterior Esthetics: Advanced Implant and Biomimetic Concepts for the Periodontist”, Kentucky Society of Periodontists, Louisville, Kentucky; April 3, 2004

“Altering Thresholds of Treatment with Biomimetics and Immediate Implant Placement”, Academy of Osseointegration 19th Annual Meeting Corporate Forum, San Francisco, California; March 18, 2004

“Altering Thresholds of Treatment with Biomimetics and Immediate Implant Placement”, Academy of Ossiointegration/Academy of General Dentistry Joint Regional Meeting, San Francisco, California; February 6, 2004

“Advanced Implant Concepts”, Greater Cincinnati Dental Society, Indianapolis, Indiana; January 31, 2004

“An Introduction to Implant Surgery”, Harvard School of Dental Medicine/American College of Prosthodontists, Boston, Massachusetts; January 15-17, 2004

“Predictable Esthetics for Immediate Placement Utilizing ITI TE, Implants: A Chair-side Perspective”, American Academy of Periodontology Annual Meeting, San Francisco, California; September 22, 2004

“Surgical Reconstruction of Keratinized Mucosa Around Non-Submerged Dental Implants” American Academy of Periodontology 89th Annual Meeting for Learning, New Orleans, Louisiana; September 22, 2003

“Immediate Placement and Advanced Surgical Techniques – A Masters Course with the ITI Dental Implant System”, Straumann West Coast Training Center, Newport Beach, California; June 27-28, 2003, August 15-16, 2003, November 14-15, 2003, February 13-14, 2004, April 16-17, 2004, September 17-18, 2004, October 15-16, 2004

“Advanced Surgical Concepts Utilizing the ITI Dental Implant System”, University of Vienna Department of Periodontics, Vienna, Austria; February 22, 2003

“Immediate Implant Placement Utilizing the Tapered ITI Dental Implant”, ITI World Symposium 2002, San Diego, California; October 25, 2002

“Surgical Development of Keratinized Mucosa Around Single-Stage Implants”, 88th Annual Meeting of the American Academy of Periodontology Luncheon for Learning, New Orleans, Louisiana; September 25-28, 2002

“Immediate Placement of Non-Submerged Dental Implants in Fresh Extraction Sites: Indications, Contraindications, and a Single Surgical Technique”, 88th Annual Meeting of the American Academy of Periodontology, New Orleans, Louisiana; September 25-28, 2002

“Why ITI Single Surgery Implants”, 2001 North American ITI Congress, Whistler, British Columbia; November 30, 2001

“Treatment versus Non-Treatment Utilizing Dental Implants in Fresh Extraction Sites”, Academy of Osseointegration 16th Annual Meeting, Toronto, Canada; March 24, 2001

“Development of Keratinized Mucosa Around Non-Submerged Dental Implants”, Academy of Osseointegration 16th Annual Meeting Lunch and Learn Session, Toronto, Canada; March 24, 2001

“Immediate Placement of ITI Dental Implants in Fresh Extraction Sites: A Single Surgical Approach”, ITI World Symposium 2000, Lucerne, Switzerland; October 21, 2000

“Placement of ITI Dental Implants in Immediate Extraction Sites”, North American ITI Annual Meeting, Orlando, Florida; February 11, 2000

“Development of the Soft-Tissue Architecture Around ITI Implants”, ITI World Symposium '98, Boston, MA; June 6, 1998

“Current Concepts in Periodontics”, Associazione Medici Dentisti Italiani, Modena, Italy; 1992
